S3 COMPETITOR ELIGIBILITY

To be eligible to compete in all or part of the *Series*, each Competitor must hold a current Motorsport Australia Competitor's Licence, be registered with the *CA* and have paid all fees required by the *CA*.

S4 AUTOMOBILE ELIGIBILITY

S4.1 General

Each *Automobile* must comply with the requirements of Article S4.1.1, 4.1.2, 4.1.3, 4.1.4, or 4.1.5 below and the current *BoP* Sheet to be eligible to compete in the *Series*.

4.1.1 An *Automobile* complying with the requirements of the Circuit Race Appendix, Group 2C – Supersports, Technical Regulations in the *Motorsport Australia Manual* with the following restrictions

4.1.1.1 If fitted with an engine derived from a production motorcycle, the engine must be normally aspirated with a maximum capacity of 1540 cc; and

- 4.1.1.2 If fitted with an engine derived from a production vehicle, the engine must be normally aspirated with a maximum capacity of 1640 cc.
- 4.1.2 An *Automobile* complying with the requirements of the Circuit Race Appendix, Group 6SR - Sports Racer, Technical Regulations in the *Motorsport Australia Manual*.
- 4.1.3 An *Automobile* complying with the requirements of the FIA Technical Regulations, Appendix J, Article 259 for Group CN and the following:
 - 4.1.3.1 Each *Automobile* must be issued with a Motorsport Australia log book for Group 2PCN;
- 4.1.4 An *Automobile* complying with the requirements of the Circuit Race Appendix, Group 2A - Sports Cars Open and Closed, Technical Regulations in the *Motorsport Australia Manual* with the following restrictions:
 - 4.1.4.1 The *Automobile* must be a prototype sports car and not based on a production road vehicle, fitted with full width *Bodywork* with integral front mudguards, and as approved by the CA; and
 - 4.1.4.2 Unless otherwise permitted by the CA, the engine must be normally aspirated with a maximum capacity of 2000 cc.
- 4.1.5 An *Automobile* considered a prototype complying with *Motorsport Australia* regulations, found acceptable by the CA, and approved in writing by *Motorsport Australia*.

S4.2 Minimum Racing Weight

Each *Automobile* must comply with the minimum *Racing Weight*, as specified by the CA, when weighed after a *Track* session.

S4.3 Automobile Classes

- 4.3.1 Each eligible *Automobile* will be allocated by the CA to one of the 3 classes within the *Series* as follows:
 - 4.3.1.1 **AP1:** Each *Automobile* capable but not exceeding nominated lap times as per the *BoP* for each event and as specified by the CA.
 - 4.3.1.2 **AP2:** Each *Automobile* capable but not exceeding nominated lap times as per the *BoP* for each event and as specified by the CA.
 - 4.3.1.3 **AP3:** Each *Automobile* capable but not exceeding nominated lap times as per the *BoP* for each event and as specified by the CA.

S4.4 Replacement Automobile

Following the commencement of the first qualifying session of each *Round*, any *Automobile* that has been entered to compete at that *Round* may not be replaced with another *Automobile*, unless specifically authorised in writing by the CA and approved by the Stewards.

S5 DRIVER ELIGIBILITY

To be eligible to compete and score points in the *Series*, each *Driver* must have paid all fees required by the CA.

S5.1 Driver Licence Requirements

The *Driver Licence* requirement is determined by the weight to power ratio of the *Automobile* as calculated in accordance with the General Appendix – Competition Licence regulations of the *Motorsport Australia Manual* as follows:

- 5.1.1 For an *Automobile* with a weight/power ratio of less than 3.5 kg/kW, the *Driver* must be a minimum of 17 years of age and hold a current Motorsport Australia Circuit Licence without Provisional endorsement or higher.
- 5.1.2 For an *Automobile* with a weight power ratio of more than 3.5 kg/kW, the *Driver* must be a minimum of 16 years of age and hold a current Motorsport Australia Circuit Licence with Provisional endorsement or higher.

S5.2 Substitute Driver

Prior to the commencement of the first qualifying session at each *Round*, each *Competitor* may nominate a substitute *Driver* who may be permitted to compete in the remainder of that *Round* subject to the approval of the Stewards.

S6 SERIES ROUNDS

- 6.1 The *Series* will be conducted over 5 *Rounds* as detailed in the *Series* Calendar below and published on the series website at www.australianprototypeseries.com.au.
- 6.2 Each race conducted as a part of the *Series* will count in determining the final results.

S7 SERIES CALENDAR

Round	Date	Circuit
1	20 – 22 March	Shell V-Power Motorsport Park
2	29 – 31 May	Sydney Motorsport Park
3	15 – 16 August	Phillip Island
4	11 – 13 September	Shell V-Power Motorsport Park
5	20-21 November	Mallala Motorsport Park

Note: The above calendar is subject to change. The CA will advise each *Competitor* of any change and update the series website.

S8 ROUND FORMAT

- 8.1 The number, length and format of *Track* sessions will ultimately be negotiated between the CA and the *Organiser* prior to a *Round* and will be advised in the *Supplementary Regulations* issued for an *Event*.
- 8.2 Generally, the format for each *Round* will be as follows:
- 8.2.1 Practice: 3 x 20-minute sessions.
- 8.2.2 Qualifying: 1 x 20-minute session.
- 8.2.3 Races: 3 races. Race 1 and Race 2 will be of approximately 20 minutes duration expressed as a number of laps and Race 3 will be of approximately 25 minutes duration expressed as a number of laps.

S9 GRID DETERMINATION

The grid for each race will be determined as detailed in the *CRSR* and as per the *Event Supplementary Regulations* and *Sporting Regulations*.

S10 START PROCEDURE

Unless specified otherwise in the regulations for the *Event*, the *Start* procedure for each race will be a Non-Championship rolling start as detailed in the *CRSR*. Standing starts in race 3 may be an option.

S11 AWARDS AND POINTSCORE

S11.1 Prizes and Trophies

- 11.1.1 Prizes, trophies and awards will be as determined by the CA and will be advised to each *Competitor*.
- 11.1.2 For each *Round* and the *Series*, the CA will award Trophies to the top 3 point scorers in each class if there are 5 or more *Automobiles* in that class. If there are only 4 *Automobiles*, then only the top 2 point scorers will be awarded a trophy and if only 3 *Automobiles* or less then only the top point scorer will be awarded a trophy.
- 11.1.3 For the *Series*, trophies will only be awarded to a *Driver* that has competed in a majority of the races conducted in the *Series*.

S11.2 Series Point Score

- 11.2.1 Points will be awarded to each *Driver* based on their Class finishing position for each race according to the points table published below.
- 11.2.2 Race results, points awarded, and the running total of points awarded to each *Driver* for the *Series* to date will be published on the series website.

S11.3 Series Points Table

Finishing Position	Race 1	Race 2	Race 3	Finishing Position	Race 1	Race 2	Race 3
1	45	45	60	13	10	10	13
2	40	40	54	14	9	9	11
3	36	36	49	15	8	8	10
4	33	33	45	16	7	7	9
5	30	30	41	17	6	6	8
6	27	27	37	18	5	5	7
7	24	24	33	19	4	4	6
8	21	21	29	20	3	3	5
9	18	18	25	21	2	2	4
10	15	15	21	22	1	1	3
11	13	13	18	23	1	1	2
12	11	11	15	24	1	1	1

- 11.3.1 If there is a tie at the end of any *Round*, the final positions for that *Round* will be determined by comparing the results of each of the tied *Drivers* in the final race of that *Round*. The higher place in the *Round* results will be awarded to the *Driver* with the higher finishing position in the final race.
- 11.3.2 The winner of each Class of the *Series* will be the *Driver* with the highest points total in that Class.

S11.4 Penalty Points

Any loss of *Series* points imposed as a penalty must be deducted from the that *Driver's* "total points" at the end of the *Series* prior to determining final positions for the *Series*. These points must also be deducted prior to determining final positions for any other award in connection with the *Series* (i.e. AP1, AP2, AP3).

S12 EVENT OPERATIONS

S12.1 Registration and Entry

Registration and Entry Forms will be available online at www.australianprototypeseries.com.au or from the CA with document checking being conducted by the CA and the Secretary of the Event prior to the first official *Track* session at

each *Round*.

Note: The *Organiser* reserves the right to accept or reject any event entry nomination at their sole discretion and without explanation in accordance with the *NCR*, in which case all fees paid will be refunded in full.

S12.2 Driver/Team Manager Briefings

12.2.1 Each *Driver* and *Team Manager* must attend the compulsory *Driver/Team Manager* briefing.

12.2.2 The time and location of this briefing will be detailed in the *Supplementary Regulations* for the *Event*.

12.2.3 The attendance sheet must be signed by each *Driver* and *Team Manager* to confirm attendance.

12.2.4 Other compulsory briefings may be convened as required and will be advised to each *Competitor* accordingly.

S12.3 Parc Fermé

12.3.1 Each *Automobile*, including those remaining in *Pit Lane*, must proceed directly to the designated *Parc Fermé* area via the most direct route (or as directed by Officials) at the conclusion of qualifying, without returning to pit or paddock areas and without interference from any third party (other than an Official).

12.3.2 Each *Automobile* completing each race must proceed directly to the designated *Parc Fermé* area via the most direct route (or as directed by Officials) at the conclusion of the race, without returning to pit or paddock areas and without interference from any third party (other than an Official).

12.3.3 An *Automobile* may not be removed from *Parc Fermé* except with the express permission of the Chief Scrutineer or their nominee.

12.3.4 The following penalties will be imposed for an *Automobile* not entering *Parc Fermé* or for the removal of an *Automobile* from *Parc Fermé* without permission:

12.3.4.1 Qualifying: *Disqualification* from qualifying

12.3.4.2 Race: *Disqualification* from the relevant race

12.3.5 During *Parc Fermé*, 1 data technician for each *Automobile* will be responsible for the download of the engine data from their *Automobile* and submitting the data to the *CA* or nominated representative.

S12.4 Qualifying

During qualifying an *Automobile* may not return to its garage or paddock area without the express permission of the Chief Scrutineer or their nominee. If an *Automobile* returns to its garage or paddock during qualifying it will be prohibited to re-join that session.

S12.5 Pit Lane

12.5.1 Each pit crew member is required to sign a Pit Lane Indemnity Form prior to the first *Track* session and to display identification as and if required by the *Organiser*.

12.5.2 Each *Competitor* must appoint a Car Controller who will be solely responsible for the stopping of, and the safe release of their *Automobile* at all times whilst the *Automobile* is in *Pit Lane*. The Car Controller is prohibited to perform work of any kind on an *Automobile* during a pit stop.

12.5.3 The number of pit crew members permitted to work on each *Automobile* during a discretionary pit stop (DPS) is free except for a tyre change operation which is limited to 2 pit crew members not including the Car Controller.

12.5.4 If a compulsory pit stop (CPS) is mandated for a race, requirements will be published in the *Event* regulations.

S12.6 Removal of Automobile from the Circuit

Following the commencement of the first qualifying session, it is prohibited to remove any *Automobile* from the *Circuit* prior to the release of all *Automobiles* from *Parc Fermé* established following the final race of that *Round* without the prior express written approval of the Chief Scrutineer or their nominee.

S12.7 Abandoned Automobile

- 12.7.1 If a *Driver* has to abandon an *Automobile* on the *Track* or its adjacent area, the *Driver* must ensure that the steering wheel is correctly re-fitted and that the *Automobile* is in neutral, or if not possible, that the diff unit is in neutral so that the *Automobile* may be pushed.
- 12.7.2 Failure to comply with the above requirement may result in a 5-grid place penalty being imposed for the next race in which that *Driver* takes part. The Stewards may impose an alternative penalty at their discretion.

S12.8 Radio Communication to/from Automobile

Two-way radio communication between the *Driver* and a member of the pit crew is mandatory at all times whilst the *Automobile* is on the *Track*.

S12.9 Race Management Channel (RMC)

- 12.9.1 Category management team will relay relevant information to teams during each *Track* session using *RMC*.
- 12.9.2 It is the *Competitor's* responsibility to assign 1 team member to monitor *RMC* during each *Track* session.
- 12.9.3 The radio channel for *RMC* must be set as "listen only" and broadcast by team members is prohibited.
- 12.9.4 *RMC* frequency will be available from the *CA*.

S13 TYRES

- 13.1 Hoosier tyres will be the category tyre supplier from the conclusion of Round 2. Prior to Round 2 the tyre brand is free, unless agreed by the *CA*
- 13.2 Unless stated otherwise in the *Supplementary Regulations*, or unless approved by the Stewards, a maximum of 4 dry tyres (2 front & 2 rear) must be marked or scanned for each *Automobile* for each *Round*.
- 13.3 With the exception of treaded tyres used on a damp or wet *Track*, marked tyres are the only tyres permitted to be used on an *Automobile* during any qualifying session or race at that *Round*.
- 13.4 Except as prescribed in Articles S13.9 and S13.10, the penalty for using unmarked tyres will be *Disqualification* from the results of the qualifying or race in which the unmarked tyre/s were last used.
- 13.5 Each *Competitor* must present each tyre as intended to be used to the Chief Scrutineer or their nominee for marking at the front of their respective garage/paddock bay a minimum of 1 hour prior to the commencement of the qualifying session.
- 13.6 Each *Competitor* is responsible for ensuring that each tyre as intended to be used is marked or re- marked as appropriate or the *Automobile* may be prohibited to compete. If any tyre is not marked for any reason or the markings become illegible, the *Competitor* must notify the *CA* or the Chief Scrutineer or their nominee immediately so that the tyre/s may be marked.
- 13.7 A replacement tyre/s will only be permitted if the Chief Scrutineer or their nominee is satisfied that due to exceptional circumstances, the tyre/s in question are damaged or can no longer be used due to safety reasons. The Chief Scrutineer or their nominee shall ensure that any replacement tyre is of the same or similar specification to the tyre being replaced.
- 13.8 Each replacement tyre must be marked by the Chief Scrutineer or their nominee before use.
- 13.9 If a *Competitor* is permitted to replace a marked tyre/s with a used unmarked tyre/s of similar condition the following penalties will apply to the *Automobile* concerned:
- 13.9.1 1 tyre only replaced – no penalty.
- 13.9.2 More than 1 tyre replaced – loss of 2 grid positions for each additional tyre (more than one) at its next race at that *Round*. If a grid position penalty will not alter the *Automobile's* normal starting position, a penalty of 5 seconds added to the race time in lieu of each grid spot may be imposed.
- 13.10 If a suitable used tyre is not available and a *Competitor* is permitted to replace a marked tyre/s with a new

unmarked tyre/s, the following penalties will apply to the *Automobile* concerned:

- 13.10.1 1 tyre only replaced – start that race from the rear of the grid.
- 13.10.2 More than 1 tyre replaced – start that race from the rear of the grid and 5 seconds added to the race time for each additional tyre (more than one). For example, using 4 new replacement tyres would result in a penalty of rear of grid and 15 seconds added to the race time.
- 13.10.3 If a rear of grid penalty will not alter the *Automobile*'s normal starting position, a penalty of 0.5 seconds per lap completed for each tyre replaced added to the race time may be imposed.
- 13.10.4 Alternatively, any time penalty may be added to the duration of a compulsory pit stop or a delayed start time at the discretion of the Stewards.
- 13.11 The use of any chemical treatment on a tyre, including for cleaning purposes, is prohibited.
- 13.12 The quantity of wet tyres permitted is free.
- 13.13 With the exception of wear resulting from normal usage, each tyre must remain unmodified.
- 13.14 A tyre may be cleaned by ONLY using manually operated tools.

Note: The Chief Scrutineer will be sole arbiter with regard to the interpretation and application of these tyre regulations.

S14 FUEL

- 14.1 Where a fuel supplier is nominated by the CA for a *Round*, only fuel from that supplier may be used at that *Round*.
- 14.2 A fuel log may be kept by the nominated fuel supplier at each *Round*.
- 14.3 No other substance may be added to the specified fuel.
- 14.4 With the exception of ambient atmospheric air and the specified control fuel, no other substance may be added to the intake charge of the engine.
- 14.5 Prior to the commencement of qualifying at each *Round*, each *Competitor* must ensure that any trace evidence of non-approved fuel is removed from their *Automobile*.
- 14.6 A fuel sample may be taken from an *Automobile* at any time for testing.
- 14.7 Each *Competitor* is responsible for a fuel sample being able to be obtained safely and promptly upon request by the CA or the Chief Scrutineer or their nominee.
- 14.8 Any fuel sampled will be compared with the specified fuel and that provided by the nominated fuel supplier.
- 14.9 A specification analysis and distribution details will be available on request from the CA.
- 14.10 The amount of fuel that can be stored in any garage/carport/paddock bay will be advised in the *Supplementary Regulations* issued for an *Event*.
- 14.11 The penalty for using non-specified fuel or fuel from other than a nominated supplier will be *Disqualification* from the results of all qualifying and races in the *Round* where the fuel was used.

S15 REFUELLING AND DEFUELLING

- 15.1 All refuelling and defuelling must be carried out in the pit garage or the paddock area and must conform to the following requirements:
 - 15.1.2 The *Automobile*'s engine must be switched off; and
 - 15.1.3 All refuelling and defuelling must be performed in accordance with relevant OH&S laws, regulations and compliance codes; and
 - 15.1.4 At least 1 crew member must act as a fire attendant and be in possession of at least 1 x 4.5 kg dry

chemical fire extinguisher, complying with current Australian Standards and showing a current inspection certificate; and

- 15.1.5 A drip/catch mat or tray must be below the refuelling point of the *Automobile* which must be capable of containing any spillage.
- 15.1.6 Any device and substance which changes the temperature of the fuel from the ambient air temperature is prohibited. All fuel being placed in the *Automobile* must be done so at ambient temperature; and
- 15.1.7 For the duration of any refuelling or defuelling operation, with the exception of the refueller and designated fire attendant/s, no other person is permitted to be within 3 metres of the refuelling point, and if conducted within a garage or carport, all non-essential personnel such as sponsors, families or any other guest must vacate the garage/carport area until the operation is complete.

S16 TYRE HEATING DEVICES

- 16.1 Tyre warmers are optional for use in Practice and Qualifying. Tyre warmers are strictly prohibited after the last qualifying session of any race event.

S17 SEALS

- 17.1 Each *Competitor* must drill holes to enable fitment of a *Seal/s* in any component as instructed by the CA.
- 17.2 Only the Chief Scrutineer may approve the removal of any *Seal*.

S18 PERFORMANCE PARITY

S18.1 General

- 18.1.1 *BoP* will be achieved by nominating one of 3 classes as listed in S4.3.
- 18.1.2 Each class will have a nominated time bracket allocated for the *Track* as nominated by the CA prior to each event via the *Supplementary Regulations* or *Further Supplementary Regulations*.

S18.2 Managing Performance Parity

Penalties for breaching lap times will be as follows

- 18.2.1 One breach in a race will incur a 5 second time penalty.
- 18.2.2 Two breaches in a race will incur a 30 second time penalty.
- 18.2.3 Third breach will incur a classification of *Disqualification* for that race.
- 18.2.4 More than 3 breaches at a *Round* will result in the *Disqualification* from that *Round*.

S19 VIDEO CAMERA & RECORDING DEVICE

- 19.1 Each *Automobile* must be fitted with a camera system for judicial purposes.
- 19.2 This camera system must consist of a fully operational digital video camera and recording device and any associated camera equipment to ensure the full functionality and recording capability of the camera in each practice, qualifying and racing session at each *Round*.
- 19.3 The camera system must be supplied by the *Competitor* and authorised by the CA.
- 19.4 The camera and its associated equipment must be installed in the *Automobile* with the camera pointed in a forward direction with a field of vision sufficiently wide to record clearly, and without obstruction at all times, the *Driver's* view of the *Track* ahead.

- 19.5 The *Competitor* will be required to ensure that the camera is switched on and functioning in the correct manner prior to the *Automobile* entering the *Track* for each practice, qualifying and racing session and remain operational for the entirety of each session.
- 19.6 Access to the camera must be provided to technicians appointed by the CA at any time upon request.
- 19.7 No person other than authorised personnel may interfere with the camera, other than to remove and replace the Secure Digital Memory (SD) card.
- 19.8 When requested, a *Competitor* must immediately provide the SD card from their *Automobile* to the Clerk of the Course or Stewards upon request.
- 19.9 Each video file recorded on the camera must be viewable on a standard video player or computer using Windows Media Player or VLC software.
- 19.10 Each camera SD card must be clearly marked with the competition number of the *Automobile* to which it is installed.
- 19.11 The SD card must remain available in the camera for 30 minutes after each *Track* session. Or can be removed after approval from the CA
- 19.12 The images stored on an SD card are prohibited to be deleted/cleared until after the completion of each *Round* and only with the written approval of the CA.
- 19.13 Each *Competitor* must have a spare SD card available for each of their *Automobiles* to ensure no images are lost and for instances where the original SD card may be required for examination by the Clerk of Course and/or Stewards.
- 19.14 Any error, action, omission or failure which causes a loss of, or failure to produce, any video image will be investigated and may be referred to the Stewards.
- 19.15 Cameras other than the judicial camera may be fitted to an *Automobile*.
- 19.16 The installation of each camera system must be approved by the Chief Scrutineer or their nominee.
- 19.17 Footage from any camera may be used by the *Competitor* for non-commercial purposes only and must not be transferred, sold or given to any party not having executed the media rights and usage agreement with the CA or their designated production company.
- 19.18 Real time or live posting of any recorded material is prohibited.
- 19.19 Failure to comply with any of the above regulations regarding cameras or any error, action, omission or failure which causes a loss of, or failure to produce, any video image will be investigated and may be referred to the Stewards.

S20 RAIN LIGHT

- 20.1 The fitment of a rain light, as per Technical Appendix - Schedule C of the *Motorsport Australia Manual*, on each *Automobile* is mandatory.
- 20.2 The rain light must be illuminated at all times whilst the *Automobile* is fitted with wet weather tyres and is being driven on the *Track* or as otherwise directed by Race Control.
- 20.3 A minimum penalty of the loss of 5 *Series* points up to a maximum penalty of *Disqualification* from the relevant session may be imposed by the Stewards for a breach of these rain light regulations.

S21 AUTOMATIC TIMING TRANSMITTER

At all times during each *Track* session an *Automobile* must have the correct fully charged timing transmitter fitted and operating.

S22 AUTOMOBILE MARKINGS

- 23.1 In addition to the requirements detailed below, each *Automobile* must comply with Technical Appendix - Schedule K of the *Motorsport Australia Manual*.
- 23.2 Each *Automobile* must provide space and/or display the following *Series* markings, appropriately attached, and positioned as detailed below, at all times during each *Round*:
- 23.3 A space 220 mm wide x 400 mm high between the rear edge of the front wheel arch and the leading edge of the rear wheel on each side.
- 23.4 An Australian Prototype Series decal on the end plates of the rear spoiler, or side of the *Automobile* toward the rear of the *Automobile*.
- 23.5 A space 400 mm wide x 450 mm high between the front wheel and the front of the *Automobile* or on the nose section of the *Automobile* for the Series Sponsor.
- 23.6 An allocated coloured 50mm strip above each number panel to advise of nominated class

S23 CONDUCT OF COMPETITORS, DRIVERS, CREWS AND GUESTS

Each *Participant* (includes any crew member and guest) must be aware that comments made on the internet (including websites, Facebook, Instagram or others) will be considered public comment. Any comments which are deemed improper, bring the category and/or *Event* into disrepute, or are threatening, abusive, indecent or insulting may lead to disciplinary action. Comments which are personal in nature or could be construed as offensive, use foul language or contain direct or indirect threats aimed at the *Organiser* and/or another *Participant* are likely to be considered improper.

2026 MOTORSPORT AUSTRALIA SOUTH AUSTRALIAN SUPER SPORTS TROPHY SERIES

J.1 Introduction

The Motorsport Australia South Australian Super Sports Trophy Series for 2026 allows Prototype and Sports Racer type cars (two-seat and single-seat enclosed body) to race in the 2026 South Australian Motor Race Championship.

In the interest of increasing competition, the category is progressively being opened to accommodate other Group 2C and 2PCN type cars already in the country that can further complement recent category development. This includes catering for currently available manufacturers' cars, potentially suitable overseas categories which can provide viable sources for cars, as well as encouraging and supporting locally built cars into the category.

J.2 Eligibility

The Super Sport series is open to competitors in Super Sports cars complying with paragraphs J2 (i) through to J2 (v),

- i. Group 2C Super Sports (open) as defined by MOTORSPORT AUSTRALIA Manual of Motorsport 2026 (or any other cars complying fully with the Super Sports 2C {open} Regulations) and any subsequent bulletins issued by MOTORSPORT AUSTRALIA.
- ii. Group 2A cars which, except for engine capacity or engine type, would otherwise comply with Group 2C specifications and meet any of the following engine criteria:
 - a. Motorcycle type engined vehicles up to 3.0 litres and limited to 10,500 rpm including the Radical SR8
 - b. Production car engined vehicles limited to 2 litres and 8750rpm including and adhering to FIA CN 2litre cars.
 - c. Production car engine vehicles limited to <2000 forced induction, including FIA CN, with a minimum weight of 625kgs.
 - d. Radical SR10 as delivered by manufacturer (425 BHP and 725kg weight) with no aftermarket or modified ECU.

- iii. Centre mounted single seater enclosed body cars as described in category description 6SR of the 2026 MOTORSPORT AUSTRALIA Manual of Motor Sport (or any other cars complying with the 6SR category description) and any subsequent bulletins issued by MOTORSPORT AUSTRALIA. Additional freedoms nil minimum weight, nil rpm engine limits, internals free.
- iv. Clubman style cars specifically 2A, or 2B Type 2 (limited production). Are only eligible to enter rounds 2 & 3.
- v. An automobile complying with the requirements of the FIA Technical Regulations, Appendix J. Article 259 for Group CN and the following. An Automobile that is issued with a Motorsport Australia log book for Group 2PCN.
- vi. Invitational cars may be permitted by the event organiser subject suitability and performance relative to the cars listed in paragraph J2 (i) to J2 (v).
- vii. Traction control and Drag Reduction Devices. The use of electronically programmable launch control or traction control and Drag Reduction Devices are not permitted.
- viii. Tyres - only four race tyres are permitted to be used for any one round of the series. Tyres may be marked by the eligibility officer or his delegate prior to qualifying. These tyres must be used throughout the event unless a replacement is approved for safety reasons. Wets are free from this restriction.
- ix. The category organizers reserve the right to have a qualified technical representative from another category to utilize their ECU or engine capacity checking equipment to randomly select cars and check the ECU data or engine capacity of any car competing on the day.
- x. Any eligibility inspections shall be conducted by the chief scrutineer in accordance with any provisions of the MOTORSPORT AUSTRALIA Manual. A Super Sports technical adviser may assist. The chief eligibility officer for the Series shall be: (TBA) or delegates appointed by him to assist in his task.

J.3 Class Definition

There will be two classes for the series as follows. Capacity rev limits (Classes 1-3) are as specified in the 2C Super Sports Regulations and the 6SR Category Description, and as per para J2 (ii) above.

- (i) **Class One**
Group 2A, 2B and 2C Super Sports style cars complying with J2 (ii) above, and cars with 2PCN MOTORSPORT AUSTRALIA logbooks.

- (ii) **Class Two**
6SR cars as per the 2026 MOTORSPORT AUSTRALIA Manual of Motorsport Technical Regulations.

J.4 Series Registration

- (i) Drivers must be a member of a MOTORSPORT AUSTRALIA-affiliated car club to score points in the Series.

J.5 Category Organisers

- (i) The Category Contact of the Series will be Melissa Rees, who will nominate further personnel to assist where necessary.
- (ii) The eligibility officer will be TBA.
- (iii) The Driver Standards Advisor of the series will be TBA

J.6 Trophy Series Annual Awards and Points Score

- (i) EACH ROUND

There will be trophies awarded at the end of the Series to the top three drivers in each class at the end of the series

- (ii)
Rounds 1, 4 and 5 must be entered through The Australian Prototype Series

- (iii) TROPHY SERIES ANNUAL AWARDS

There will be five rounds in the Series.

Round 1 – 20th – 22nd March – APS Shell V-Power Motorsport Park (International)
Round 2 – 26th – 27th June – SA Prototypes Shell V-Power Motorsport Park (West)
Round 3 - 17th – 19th July – SA Prototypes Shell V Power Motorsport Park (West or GT)
Round 4 – 11th – 13th September – APS (Supercars) – Shell V-Power Motorsport Park (West)
Round 5 – 20th – 21st November – APS Mallala Motorsport Park

The SA Super Sports Trophy Series may be conducted within a round of the Australian Prototype Series conducted in State Rounds SA Super Sport Trophy Series drivers who compete in such a round will be awarded points as per their race finishing orders compared to other SA Super Sports Trophy Series drivers.

Points will be awarded towards the series as long as a driver has entered both rounds 2 and 3 of the 2026 SA Super Sports Trophy Series.

A driver’s worst round will be dropped from the season’s total points score provided they have contested all of the published rounds as stated in these regulations.

POINTSCORE

The points awarded in each class shall be as follows: -

Fastest qualifier in each class 1 point.

In each race, points are allocated to each class as follows, based on the results of each race:

Position	1st	2nd	3rd	4th	5th	6th	7th	8th	9th	10th
Points	35	32	30	28	26	25	24	23	22	21
Position	11th	12th	13th	14th	15th	16th	17th	18th	19th	20th
Points	20	19	18	17	16	15	14	13	12	11

“Driver” is defined as a driver who grids up for a qualifying session for the event.

A driver may only score points in any one vehicle at any one event. That vehicle must have qualified for that event so that a driver may be able to score points. A driver may change vehicles after qualifying, race 1 or race 2, but no points will be earned. The replacement vehicles must be of category for which the original was entered. Replacement vehicles must be approved through the Administrative process and authorized by the Stewards.

Points gained in each round will be carried forward until the end of the season.

There will be an annual trophy for each of the class winners, plus an overall trophy for the category champion, being the overall highest points earned based on outright points scored for the season, regardless of class. (In the event of a tie, the champion is the highest points earner in the final round, based on outright finishing positions. If there is still a tie the champion will be the one who finished ahead in the last race of the last round. If there is still a tie, then the champion is the highest points earner in the second to last round and if still a tie then the one who finished ahead in the second last round and so on.) Refer Motorsport Australia Championship and Series Policy.

J.7 Race formats

- (i) There will be one qualifying session and at least three sprint races. The format for the races is as follows.
 - Race 1: Rolling start with grid order based on qualifying.
 - Race 2: Rolling start – Progressive Grid from previous race.
 - Race 3: Rolling start – Progressive Grid from previous race.
 - Race 4: Rolling start – Progressive Grid from previous race.
- (ii) Races will be rolling start as listed above; however, at the discretion of the Category Contact and with the approval of the Clerk of the Course and Stewards, including the agreement of all drivers, changes are permissible.- Due notice will be given by inclusion in the Supplementary Regulations or Further Supplementary Regulations.
- (iii) Clubman cars will start behind other Class 1 & Class 2 cars in all races with a grid gap of 2 rows. Subject to the approval of the Clerk of the Course.

J.8 Competition Numbers

- (i) The number 1 shall be reserved for the sole use of the outright winner of the previous year's series.
- (ii) Competitors/drivers may request and reserve a competition number from the organiser, which will be allocated for their use at each round of the Series.
- (iii) A driver registered for the SA Series shall have precedence over a non-registered driver having the same competition number. If there is still a clash the driver who competed in the Super Sports Series in the previous season will have preference or, if that doesn't apply, then first application received will be successful.

J.9 Sponsors

- (i) Vehicles shall carry any decals in a clearly visible location as nominated by the Organisers for the series, series sponsors and class designation
- (ii) Failure to comply with J.9.(i) shall render the driver ineligible for points at any rounds where the decals are not carried and/or clearly visible.
